

Lösung: Making plans for Liverpool

Check your answers.

A: I want to go to the Beatles Story- museum. It's right next to the harbour and costs only £7 for children.

B: You say it's only £7 for children, but I say it's £15,95 for adults. That's too much money. Mum and dad are coming, too. I think we should go on a boot trip. It's only £8 for adults.

A: I disagree/ I don't think so. Mum always gets sick on a boot.

B: That's only at the ocean. It's on the river. I think./ I disagree.

A: In my opinion the museum is better. On the one hand you can always go there, even if it rains, on the other hand it's more expensive. But I think that's okay because you can see more.

B: I guess you are right. I like the Beatles. I agree. We should go there. But if the weather is nice, we will go on the boot, too.

A: Okay. So to sum up, we go to the museum for sure and if the weather is nice, we will go on a boot trip, too. That's cool. Now mum and dad need to agree, too.
